

## **Woodstock Middle School Chorus**

Congratulations!!! You now have an opportunity to join the award winning Woodstock Middle School Chorus! Do you like to sing? Would you like to be part of a team where no one is on the bench? We need you in chorus at Woodstock Middle School! Even if you've never been a singer in group before, we still need you to join! Some of the benefits of joining chorus include:

- Field trips to interesting places with your friends
- Becoming a valuable part of a team
- Singing with your friends
- All state, District, and County Chorus
- Awards for most outstanding students
- Ability to read music and sing as a group
- Public performances

Please keep in mind that chorus is a semester long commitment! We need the first half of the year to teach your student important music concepts that they will use throughout middle school chorus!!! Please don't hesitate to contact me with any questions or concerns.
